

Declaration of Compliance – PPWR (Packaging and Packaging Waste Regulation (EU) 2025/40

SAPIRSPRINT Label Stock Materials

SAPIRSPRINT hereby declares that, based on information, declarations, and compliance statements received from its raw material suppliers, the label stock materials supplied by SAPIRSPRINT have been reviewed against the applicable requirements of the Packaging and Packaging Waste Regulation (PPWR) – Regulation (EU) 2025/40.

To the best of our knowledge and based on supplier documentation currently available:

- 1.The materials supplied do not intentionally contain substances restricted under applicable European legislation at levels exceeding regulatory limits.
- 2.Raw material suppliers have confirmed compliance with applicable chemical regulations relevant to packaging materials, including REACH and, where applicable, SVHC reporting obligations.
- 3.SAPIRSPRINT maintains supplier declarations and supporting compliance documentation as part of its quality and regulatory management system.
- 4.This declaration is based solely on information provided by SAPIRSPRINT's suppliers and on the regulatory requirements known at the date of issue.
- 5.SAPIRSPRINT does not perform independent conformity assessment under Regulation (EU) 2025/40 and therefore cannot issue an EU Declaration of Conformity as defined by Article 39 of the Regulation. The final responsibility for assessing packaging compliance and fitness for the intended application remains with the manufacturer, converter, packer/filler, or economic operator placing the final packaging on the EU market.

6. Additional information regarding recyclability, recycled content, packaging minimization, labeling requirements, or other PPWR obligations may be provided subject to availability from the relevant raw material suppliers.

Disclaimer

This declaration is issued in good faith and is based on supplier information available at the date of issue. It does not constitute a guarantee, warranty, or certification of full compliance with Regulation (EU) 2025/40 for any specific packaging application. The customer remains responsible for verifying compliance of the final packaging system with all applicable regulatory requirements.
